The Praise Continues

Everywhere We Hear Good Reports of Doan's Kidney Pills.

Rock Island is no exception. Every section of the United States resounds with praise of Doan's Kidney Pills. Thirty thousand persons are giving testimony in their home newspapers. The sincerity of these witnesses, the fact that they live so near, is the best proof of the merit of Doan's. Here's a Rock Island case:

J. H. Beselin, 845 Seventeenth street, Rock Island, says: "A cold which settled on my kidneys brought on an attack of backache. I could hardly bend to put on my shoes. The kidney secretions were highly colored and I had dizzy spells and pains in the back of my head. I tried many medicines with no results until I got Doan's Kidney Pills. They completely cured me of the trouble."

Price, 50 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Beselin, Foster-Milburn Co., Props., Buffalo, N. Y. (Adv.)

There Is No Question of Its Purity

Everyone knows Libby's Milk is pure from the dairy to your table because of the sealed container.

Bottled milk may be pure when it is put into the bottle. But if it is not properly covered its purity is not guarded, rendering the milk unsafe.

Libby's Milk is pure milk. It is not only the pure, rich milk from fine herds and dairies, with over half the natural moisture removed by evaporation—but is kept pure in hermetically sealed and sterilized cans.

Order from your grocer. Buy a dozen cans and always have some on hand. It keeps indefinitely until opened—and much longer than ordinary bottled milk after it is opened.

WOMEN TO ENTER AUTOS IN PARADE

Specialists in Decoration Coming to Tri-Cities to Assist in Fitting Out Floral Cars.

ONE OF CENTENNIAL FEATURES

Photographs and Designs of Floats Seen in Other Localities for Guidance of People Here.

Women of Rock Island, Moline and Davenport who have made plans for entering their motor cars in the floral parades during the Fort Armstrong Centennial celebration, will be greatly pleased by the arrangements made for their help and convenience by Director General George D. Benson this week.

Mr. Benson announced today that within the next few days a store in each of the three cities would be opened by a Chicago specialty dealer who will be prepared to furnish them

the flowers, ribbons and other decorations of their cars. Competent men will be in charge of each of the stores and every convenience will be installed to help the women dress the cars in the most attractive manner.

These stores will show photographs and designs of various decorations for floral parades and in the stock will be everything possible for novel and beautiful ornamental embellishment. Light cloth with imitation flowers sewed to it will be an inexpensive and beautiful offering of the stores and special designs may be worked out by the men in charge who have had years of experience in handling decorations similar to the huge "Tournament of Roses" in Portland, Ore., and the "Rose Festival" in Pasadena, Cal. It is expected that the interest created by the installation of these specialty stores will bring out several hundred cars from the tri-cities and vicinity as entrants in the parade.

Fine Progress Being Made.

The meeting of the board of directors of the association and the chairman of the various committees this week was well attended and the members expressed themselves highly pleased at the progress that has been made in the last few weeks. The fraternal meeting is especially well pleased over its reception by the various fraternal organizations in the three cities, which have promised every possible assistance to the association in making the Fort Armstrong Centennial the most successful event in the history of the Mississippi valley.
